

1 - Identification

Product Name	Apricot Kernel Oil
Address	Ingredients To Die For, 11110 Metric Blvd, Ste D, Austin, TX 78758
Phone	512-535-2711
Emergency Phone	Domestic International

2 - Hazard(s) Identification

General hazard statement

The product does not belong to any list of substances supposedly hazardous to human or animal health according to EU Regulation 1272/2008 and

Classification of the substance or mixture

GHS classification in accordance with:

(US) OSHA (29 CFR 1910.1200)

Not a hazardous substance or mixture.

GHS label elements, including

Not a hazardous substance or mixture.

Other hazards which do not result in

Not a hazardous substance or mixture.

classification

3 - Composition/Information on Ingredients

Mixtures

Components

1. Apricot Kernel Oil

Concentration Not specified, 100%

CAS No. 72869-69-3

Trade secret statement (OSHA 1910.1200(i))

Naturally occurring vegetable oil obtained from the kernels of *Prunus armeniaca*. The oil may be in the crude or refined, bleached, deodorized and winterized state.

4 - First-Aid Measures

Description of necessary first-aid measures

General advice	Remove contaminated soaked clothing immediately.
If inhaled	Not expected with this type of product
In case of skin contact	No measure, being a non-toxic product
In case of eye contact	Wash thoroughly with running tap water
If swallowed	No measure, being a non-toxic product

State of the Art Ingredients * Fast Friendly Service

Personal protective equipment for first-aid N/A

Most important symptoms/effects, acute and delayed

Non-toxic product cosmetic use.

Doesn't have any microbiological specification as it is sterilized in the refining process. Doesn't contain impurities. Not included in the list of substances

Indication of immediate medical

attention and special treatment needed, Treat symptomatically and supportively.

5 - Fire-Fighting Measures

Suitable extinguishing media

Foam, CO2, Dry chemical powder

Do not use water.

Specific hazards arising from the chemical

The product may only form ignitable mixtures or burn above the flash point. Dangerous combustion products include smoke and oxides of carbon.

Special protective actions for firefighters

Wear self-contained breathing apparatus for firefighting if necessary.

6 - Accidental Release Measures

Personal precautions, protective equipment and emergency procedures	No special precautions required.
Environmental precautions	No special precautions required.
Methods and materials for containment and cleaning up	Small spills and residues may be absorbed with material such as cloth or sawdust, washed away with water and cleaned with sodic products. Larger spills may be pumped.
Reference to other sections	For disposal see section 13

7 - Handling and Storage

Precautions for safe handling	Keep containers sealed when not in use. Prevent spills and leaks to avoid slip hazard. Provide suitable mechanical equipment for the safe handling of
Conditions for safe storage, including any incompatibilities	Keep containers out of direct sunlight in cool dry conditions at a temperature not exceeding 25 C. Keep in the original containers or in plastic or
Specific end use(s)	No specific uses are stipulated.

8 - Exposure Controls/Personal Protection

Individual protection measures, such as personal protective equipment (PPE)	
Eye/face protection	No special protective equipment required
Skin protection	No special protective equipment required
Body protection	No special protective equipment required
Respiratory protection	No special protective equipment required
Thermal hazards	No data available
Control banding approach	Not applicable
Environmental exposure controls	No data available

9 - Physical and Chemical Properties

Information on basic physical and chemical properties

Appearance/form (physical state, color, et	Clear, pale yellow liquid at 20 C
Odor	Almost odorless
Odor threshold	Almost odorless
"	N/A
Melting point/freezing point	No data available
Initial boiling point and boiling range	100 C
Flash point	280 C
Evaporation rate	No data available
Flammability (solid, gas)	No data available
Upper/lower flammability limits	No data available
Upper/lower explosive limits	No data available
Vapor pressure	No data available
Vapor density	No data available
Relative density	0,914 - 0,919 gr/cm3 at 20 C
Solubility(ies)	Soluble in vegetable oils
Partition coefficient: n-octanol/water	No data available
Auto-ignition temperature	No data available
Decomposition temperature	No data available
Viscosity	No data available
Explosive properties	No data available
Oxidizing properties	No data available
Other safety information	No data available

10 - Stability and Reactivity

Reactivity	No data
Chemical stability	Stable under normal storage conditions
Possibility of hazardous reactions	No data available
Conditions to avoid	High temperature warehousing, heating at more than 60 C (for cosmetic use)
Incompatible materials	No data
Hazardous decomposition products	The product does not decompose under normal conditions. In fire conditions a complex mixture of irritating fumes and smoke will be evolved.

11 - Toxicological Information

Information on toxicological effects

Acute toxicity

Non toxic product for cosmetic use.

Doesnt have any microbiological specification as it is sterilized in the refining process. Doesn't contain impurities. Not included in the list of substances

Skin corrosion/irritation	No measure, being a non-toxic product
Serious eye damage/irritation	Wash thoroughly with running tap water
Respiratory or skin sensitization	Not expected with this type of product
Germ cell mutagenicity	Based on available data, classification data are not med.
Carcinogenicity	

IARC No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by IARC.

ACHIH No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by ACGIH.

NTP No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by NTP.

OSHA No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by OSHA..

Reproductive toxicity Based on available data, classification data are not med.

Summary of evaluation of the CMR proper Based on available data, classification data are not med.

STOT-single exposure Based on available data, classification data are not med.

STOT-repeated exposure Based on available data, classification data are not med.

Aspiration hazard Not expected with this type of product

12 - Ecological Information

Toxicity	Low
Persistence and degradability	90% (OECD)
Bioaccumulative potential	None
Mobility in soil	Low
Results of PBT and vPvB assessment	PBT/vPvB assessment not available as chemical safety assessment not required/not conducted.

State of the Art Ingredients * Fast Friendly Service

Other adverse effects

No data available on this product

13 - Disposal Considerations

Disposal of the product

When possible recover spilled product. When product must be discarded, do so into an authorized dump or recycling service station. Act in accordance with local and national regulations.

Disposal of contaminated packaging

Dispose of as unused product

14 - Transport Information

DOT (US)

Not dangerous goods

IMDG

Not dangerous goods

IATA

Not dangerous goods

15 - Regulatory Information

Safety, health and environmental regulations specific for the product in question

SARA 302 Components

No chemicals in this material are subject to the reporting requirements of SARA Title III, Section 302.

SARA 313 Components

This material does not contain any chemical components with known CAS numbers that exceed the threshold (De Minimis) reporting levels established by SARA Title III, Section 313.

SARA 311/312 Hazards

No SARA hazards

Massachusetts Right to Know Component: No components are subject to the Massachusetts Right to Know Act.

Pennsylvania Right to Know Components: No components are subject to the Pennsylvania Right to Know Act.

New Jersey Right to Know Components: No components are subject to the New Jersey Right to Know Act.

California Prop. 65 Components

This product does not contain any chemicals known to State of California to cause cancer, birth defects, or any other reproductive harm.

Chemical Safety Assessment

No safety word, pictograms, hazard or safety phrases required (EU Regulation, 1272/2008 CLP)

16 - Other Information

Date of Issue	04/17/19
Date of Revision	06/12/19

DISCLAIMER

Technical information and suggestions for use including any formulations and / or procedures are believed to be correct. However this does not constitute a guarantee of the accuracy of the information contained herein and confirming tests in your own laboratory or facility are recommended.

No statement or suggestion of use should be construed as a recommendation or inducement to violate any patent rights and no patent liability may be assumed.

The information contained in this Certificate of Analysis and Material Safety Data Sheet are obtained from current and reliable sources. As the ordinary or otherwise use(s) of this product is outside the control of Ingredients To Die For, no representation or warranty, expressed or implied is made as to the effect(s) of such use(s) (including damage or injury), or the results obtained.

Ingredients To Die For expressly disclaims responsibility as to the ordinary or otherwise use(s). Furthermore, Ingredients To Die For as to the fitness for any use should consider nothing contained herein as a recommendation. The liability of Ingredients To Die For is limited to the value of the goods and does not include any consequential loss.
